

NRIG

Nursing Research Interest Group

2024 Innovation and Dissemination Grant

Deadline – April 21, 2024 at Midnight

Two Innovation and Dissemination Research Grant VALUED AT \$1000 each!

Eligibility Criteria

The Innovation and Dissemination Grant will support **nurses** engaged in **evidence based quality improvement, research and/or knowledge translation projects**. Funds will be allocated to small-scale initiatives that **promote the uptake of nursing research into practice** to enhance the quality of nursing and patient care. Applicants must be a member of NRIG and agree to maintain their membership for two years. Applicants must also provide a letter of organizational support for the initiative. Additional mentorship from an NRIG member will be available to the successful applicant(s).

Examples of innovation and dissemination activities might include quality improvement projects, creative initiatives to advance nursing practice and/or patient care processes, development of new/innovative materials and technologies, educational sessions, workshops, and more!

Completed applications must include the following:

1. Completed application form (found attached to this document)
2. Description of Project
 - Title Page (Including project title, applicant(s) name, position, and organization)
 - Background/Problem Statement
 - Project SMART Goal(s)
 - Relevance of project to [NRIG's Mission and Objectives](#)
 - Description of methods, including participants involved and activities proposed (please also indicate plan to obtain formal ethics approval or waiver, as appropriate)
 - Significance (How will the initiative enhance the quality of nursing and patient care through the application/dissemination of research?)
 - Description of type and quality of research evidence informing the project
 - References
 - Appendices: Proposed Budget, Anticipated Timeline, and Letter of

NRIG

Nursing Research Interest Group

Organizational Support
